

This activity was conducted to reinforce the plural forms of the nouns taught in class namely "s", "es" and "ies". Children revised using the same using the flip book filled with examples. They also learnt about nouns with "y" endings using an innovative manipulative wherein they could physical make the changes to the nouns.

This activity was conducted to reinforce the two plural forms taught during Noun Number. The children had to stick the relevant plural picture on the correct plural form mobile. It was a fun way to introduce the concept of adding "es" to make the nouns plural.

### THE ADITYA BIRLA INTEGRATED SCHOOL

## Grade - 2

# Activity Based Learning

This playful activity was conducted to help the children visualize the fun "colour changing" ability of a chameleon. It added an interesting element to the concept of colours.

# Strength in Unity

This activity was aimed at demonstrating the essence of the lesson. The children were asked to break a bundle of sticks tied together which they couldn't. They then went on to easily break the sticks individually once separated. This was a practical adaptation of the gist of the lesson - Strength in Unity– A bundle of sticks
