Profile

Being a Law graduate with an eye for detail, I started my career at the firm with Indirect Tax and M&A practice. Soon after setting up a dedicated team for execution I moved on to handle the Strategy and Expansion for the firm to scale up across verticals. I currently head the vertical, Exponential Growth Solutions which specializes in managing Growth Solutions such as Treasury, People Management, Tech, Research and Logistics for the firm across verticals and geographies. Envisioned with the endeavor to tap the potential of experienced and women workforce, the team is set to be one of its kind.

tap the potential of our spousal and women workforce the team is set to be one of its kind.
