👤 Business Consultancy

💰 Corporate services

Profile

Vignesh is a qualified Chartered Accountant, started his career in the Audit & Assurance field and acquired a great experience. Later he ventured into Indirect Tax before the introduction of Goods & Service Tax in India and has been practicing in Indirect Tax since then. He has been the consultant for one of the largest PSU for a year. Based on the business knowledge he acquired during those years of practice in Audit & Assurance and Indirect Tax, he ventured into providing CFO Solutions. He is currently heading towards providing such solutions to various businesses and expanding such beyond the boundaries.

towards providing such solutions to various business and expanding such beyond the boundaries.
