Certificate of Conformity

License holder: **Vikram Solar Limited**
The Chambers, 8th Floor, 1865, Rajdanga Main Road,
Kolkata 700107, West Bengal, India

Production site(s): Vikram Solar Limited
Special Economic Zone (SEZ) Sector 2, Falta
24 Parganas (South) 743504, West Bengal, India

Product: Photovoltaic (PV) module

Model(s): ELDORA VSP.72.320.03.04
(see extended models in the Annex)*

Kiwa Cermet Italia hereby declares that the product can be considered complying to the testing requirements based upon the following aspects:

- IEC 60068-2-68:1994 / EN 60068-2-68:1996
Environmental Testing Part 2: Tests – Test L: Dust and Sand
Method LC1: recirculating chamber
- Kiwa Cermet Italia Guideline “TD Ki – 0409, Solar Products and Components”

This certificate of conformity is valid for the materials combination as listed in the test report. Extended models are based on the sample tested with extension in peak power, cell technology and cell number – see Annex.

Modifications to the product, may imply re-testing and re-certification.

This certificate of conformity does not include the Initial and the Periodic Inspection of the production samples and does not certify the quality and safety of the serial products.

This certificate is issued in accordance with the Kiwa Cermet Italia regulations for Product Certification. Publication of the certificate is allowed.

The validity of this certificate can be verified on request at the following e-mail address: energy@kiwacermet.it. Any total or partial reproduction of this document in any form, without Kiwa Cermet Italia express authorization, is prohibited.
